1. How can our differences in personalities, temperament, and backgrounds as believers benefit the church? How can these differences be divisive?
2. What happens if the church only has people from the same background, culture, and economic status? Does this affect community outreach?
3. Read John 21:18-22 and explain what you think was going through Peter's mind. Give an example of a situation when we compared your service to the Lord to someone else's. Do you think Peter was envious of John? Why or why not?
4. Peter was one of the boldest apostles of all. He willingly suffered persecution, imprisonment, and beatings and even rejoiced that he was worthy to suffer for the Lord's sake. What brought about that change?
5. Read John 21:18-19 and explain why Jesus told Peter he would be martyred. Why do you think that Jesus basically told Peter in 21:22 to mind his own business?
6. Read John 21:22 and explain what it means to follow Jesus. Why was this the answer to Peter's question?
7. Self-evaluation: How can you more fully utilize how the Lord has gifted you? How can you better encourage other believers to do so as well?
